Dear Mr. Shore:

Re: Surety Estimate, H.E. Davis & Sons, Gypsum Quarry, M/023/023, Juab County, Utah

I have attached a copy of the surety estimate you requested by letter dated March 11, 1993, for the H. E. Davis and Sons gypsum quarry in Juab County. The estimate was prepared as part of our recent review of the Henry #1 and #2 Mine (DOGM file #M/023/023). DOGM approval for this site is pending a response to our February 18, 1993 review letter.

Please call me or Holland Shepherd if you have further questions in this regard.

Sincerely,

D. Wayne Hedberg
Permit Supervisor
Minerals Reclamation Program
